Recent Testimonials:

I am currently deployed to Afghanistan and I want to thank you for sponsoring the United States Marines! I don't think I would have bought the SAT/ACT programs out of pocket because they are so expensive but now that you have made it all possible thank you, thank you, thank you!

This is one of the best programs I have ever seen! What a wonderful opportunity to help my children succeed in preparing for college. Oftentimes, military children attend so many different schools throughout their parent(s) military career, it's easy to fall behind. This programs evens the playing field!
