Just a Reminder

Tuition Assistance forms must be turned in prior to the beginning of class. First time Marine TA users must have a GT score (from your ASVAB) of 100 or above. Those who have a GT of 99 or below are required to take the Test of Adult Basic Education (TABE) and achieve a score of 10.2 or higher to qualify for TA. In the event that your score on the TABE is lower than a 10.2 then HQMC requires attendance at the Military Academic Skills Program prior to being approved for TA.

"The aim of education should be to teach us rather how to think, than what to think - rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men."

-- Bill Beattie
